General Comment

President Bush and his cronie did more to destroy my retirement. Because of Bush and Frist, and Hastert I was on of my pension by the Thieving Texan Christians. I worked for a company for over twenty years and the next thing I know the company is merged with another company and because of the pension law changes by the Corporate Republican my pension is gone and I am left with nothing.

Where was your outrage when Bush and the rest of your thieving Republican where steling everything from working poeple.

Where????
